Homework Principle Format Form

For the assignment given, write out (or type) _____ principles, statements or questions per chapter (or article) using the following format.

1. Write out or type the principle or statement with the appropriate page number. Write the statement just as it appears in the book or article.

2. Type or write out a short paragraph stating the author's purpose of the statement. What did he/she mean? What is the meaning of the statement in context with the paragraph(s)?

3. Now take the author's statements and write out (or type) a short paragraph of what the statement means to you, personally. Make an application of the statement in your life. Be personal, practical and specific.
