

Personality Inventory Chart

On a scale of 0-4 rate yourself and every family member on the following qualities. 4 is the highest rating and 0 is the lowest. For example, for number one, if you are very patient, give yourself a 4. If you are not patient at all, give yourself a 0. If you are somewhere in between rate yourself from 1 to 3. Circle any area where you & family members rate more than one point difference.
